Come, Follow Me Recommended Study Aids

See our new page with recommendations of books that can be helpful while studying the New Testament using the *Come, Follow Me* curriculum during 2019 or at any other time. Several of our authors and experts have provided the reference books they use or would recommend to aid in personal or family study. And we have included links to Amazon (actually AmazonSmile) and other online sources for printed copies of each book, as well as eBook/ePub/Kindle versions when available.

The Interpreter Foundation is a nonprofit organization. All journal publications and video presentations are available for free by digital download and streaming. The price of hard copy versions of journal articles covers only the cost of printing; books are typically priced to help cover both upfront pre-publication expenses and royalties to authors when applicable. In some cases, the Foundation may subsidize publication costs to keep retail prices affordable. The Foundation does not profit from sales of its publications.
